

Benchmark SS.7PI.7.2 Describe demographic patterns and how they affect places.

In order to show proficiency for this benchmark, you are required to:

1. Identify the group of people that are moving from one place to another. In some cases, this may be people moving out, other cases people moving in.
2. Explain if this group is increasing or decreasing in a particular area.
3. Analyze the effects of the group increasing or decreasing population.
