

# FLOW MAP FOR ADVERTISEMENTS (WHY FOREIGNERS WOULD WANT TO COME TO HAWAII?)

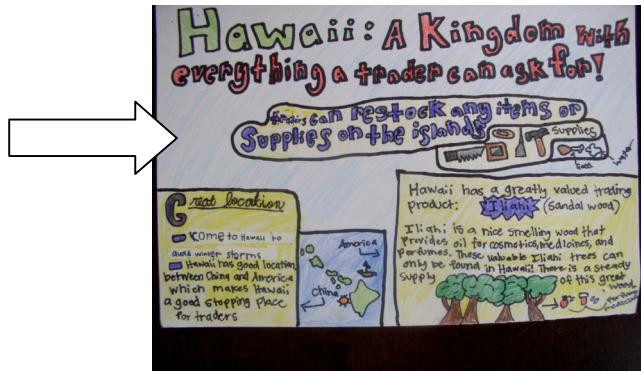

Step 1: Get all your readings, notes and thinking maps. Determine why foreigners would want to come to Hawaii? That should be your selling point.

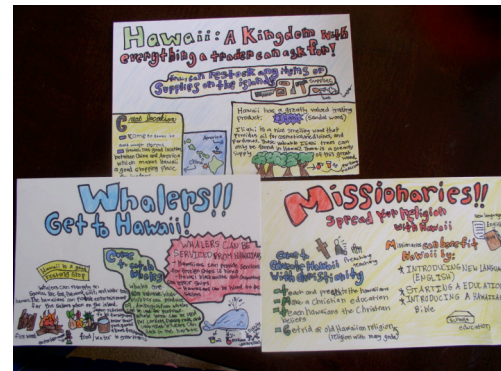

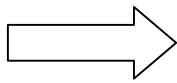

Step 2: Do a draft of your advertisement to lure foreigners (Sandalwood Traders, Whalers, Missionaries) to Hawaii. Again, what reasons would they want to come to Hawaii for?

Step 3: Get your draft approved by Mr. Oyama or Mr. Oi. Might need to add more details or visuals to your advertisement. Again, does the advertisement persuade the foreigners to come to Hawaii?

Step 4: Do your final draft by coloring and make sure grammar and spelling are checked. Do you have a selling title? Make sure!

Step 5: Follow steps 1-4 again for the other 2 foreigner groups. Grade is determined on the amount that your do. But, you need to check your information carefully.
