

Problem-Solution Formative (Intersession Homework)
Due on 1st day back from intersession

Satisfactory	Unsatisfactory
Understood the problem and solution in the article. Used details from the readings	Did not understand the problem and/or solution in the article. Lacks details.

Benchmark:

Examine current issues or problems facing contemporary Polynesia, Micronesia, and Melanesia and propose solutions to them based on research.

Description:

1. Your task over the intersession is to read 3 out of the 5 articles listed below in Teenbiz.
 - a. Give Up Oil? Not So Fast!
 - b. Sunshine States Shows the Way
 - c. All About Trash
 - d. Will This Oil Fly?
 - e. Slimy, but Smart
2. Complete the Multiple Choice for each of the 3 articles you selected in Teenbiz.
3. Complete the thinking map on below and on the back for each of the 3 articles. Write a paragraph in the solution part and problem part. (Must be 5-8 sentences per paragraph)

Title of Article: _____

Problem in Article	Solution(s) to Problem

Reflection (What did I learn about this article?)
